Dear Ms. Hough,

The Committee is in receipt of your request for additional information dated August 31, 2011, regarding the 2011 July Quarterly Report.

You request additional information about contributions that appear to exceed the limits, which you itemize in an attachment to your letter.

For transactions on Line 11(a), the Committee provides the following additional information.

Frye, Darren--Of Mr. Frye's \$10,000 contribution, \$2,500 was redesignate to the General Election, and \$5,000 was reattributed to his wife, leaving \$2,500 against his limit for the Primary. Of the \$5,000 attributed to his wife, \$2,500 was redesignated to the General. It appears that all of these memo transactions appeared on the report, except for the reattribution of the \$5,000.

Livney, Patrick--You correctly note that the \$1,000 contribution on June 14, puts Mr. Livney's aggregate contribution in excess of the limits. The Committee will take corrective action and report it on the October Quarterly report.

Jenny, Michael--\$2,000 of Mr. Jenny's aggregate contributions has been redesignated towards the General. The redesignation will be reflected on the October Quarterly report.

Perez, William--\$1,000 of Mr. Perez's aggregate contributions has been redesignated towards the General. The redesignation will be reflected on the October Quarterly report.

Raitt, John--\$2,500 of Mr. Raitt's aggregate contributions has been redesignated towards the General. The redesignation will be reflected on the October Quarterly report.

Reed, Scott--\$1,500 of Mr. Reed's aggregate contributions has been redesignated towards the General. The redesignation will be reflected on the October Quarterly report.

Silverman, Morris--\$1,000 of Mr. Silverman's aggregate contributions towards the General is excessive. The Committee will take corrective action and report it on the October Quarterly report.

Woldenberg, James--The Committe believes that it has correctly reported this transaction, designating the 6/21 contribution towards the General, not the Primary as indicated on your schedule.

For transactions on Line 11(c), the Committee provides the following additional information.

ACPAC--The Committee unintentionally created two records for this PAC and, as a result, failed to note the need to designate the 6/27 contribution of \$1,000 to the General. The Committee has subsequently redesignated the contribution and will report it on the October Quartelry report.

Regions Financial Corporation PAC--\$1,000 of the PAC's aggregate contributions has been redesignated towards the General. The redesignation will be reflected on the October Quarterly report.

I hope this information satisfactorily responds to your request. Should you have any questions, please feel free to contact me.

Sincerely,
Chris Marston
Treasurer
